

2024 Summer School Application

Deadline to submit Summer School Application is May 31, 2024

You Must Have
6.0 Credit Hours

**This request for Financial Aid applies to the
Summer 2024 Sessions only!**

Very Important: If you have remaining eligibility from the current academic year, you may be allowed to use your financial aid to pay for summer school. **For example, a student who received loans in the Fall 2023/Spring 2024 terms and borrowed all of their federal loan eligibility, does not have any loan funds remaining for Summer 2024; however, year-round Pell grant may be available to you based on eligibility and criteria.**

- You are required to have completed the 2023-2024 Free Application for Federal Student Aid (FAFSA) prior to the first day of summer classes, in order to receive summer financial aid.
- You may access your award after May 15, 2024 via Banner 9 Self-service. You will need to accept any aid that is offered before it can be applied to your bill/student account. Also, please check your VSU email frequently for updates.
- You must be enrolled in 6.0 credit hours. If a class is dropped or cancelled, it is your responsibility to enroll in another class for the summer session or be prepared to pay out-of-pocket.
- You must be in good academic standing with SAP (Satisfactory Academic Progress), to receive financial aid during the summer sessions.
- If you do not qualify for financial aid, the cost is considered out of pocket and you will need to make payment arrangements with the Student Accounts Office. *It is your responsibility to drop the class(es) to avoid charges.*
