

“Celebrating 50 Years of Providing Hope & Opportunity”

The Virginia State University Upward Bound Program is honored to celebrate its **50th Anniversary** this summer. This program has been a staple in the community and a beacon of light for so many on their journey to a college degree.

There will be opportunities to reconnect with old friends, summer roommates and classmates, recapturing memories of the “good ole days!” Enclosed you will find information about the weekend’s events.

All alumni are asked to email any pictures you may have from your VSU Upward Bound experiences to Mrs. Regina Barnett Tyler, Director at: rbarnett@vsu.edu.

Should you have questions, please call the Upward Bound Office at 804-524-5811. **See you in June 22-24, 2018!**
